SUBJECT: Uruguayan Delegation to the United Nations General Assembly

The formal decree of the National Executive Council which has now been issued lists the following as Uruguayan delegation to the United Nations General Assembly:

Dr. Alberto Dominguez Campora, Chairman
Undersecretary of Foreign Relations Alfredo Dupetit Ibarra,
Vice-Chairman
Ambassador Enrique Rodriguez Fabregat
Senator Isabel Pinto de Vidal
Senator Julio César Vignale
National Deputy Washington Fernandez.

Alternate delegates listed are:

Dr. Quintín Alfonsín
Dr. Jorge Barreiro.

Secretaries of the delegation are:

Darwin Bracco
Francisco A. Forteza.

The Embassy despatch referred to above should therefore be corrected by adding as a delegate Washington Fernandez. Señor Fernandez represents the Berrista faction of the Batllista Party and is understood to be a close personal friend of ex-President Luis Batlle Berres. It is likely that in international matters he will follow the anti-Communist, pro-democratic, pro-U.S. orientation of the Berrista political group.

The despatch should be further corrected by deleting the name of Dr. Gilberto Pratt de Maria who will not be a member of the delegation.
